2016 Street and Utility Project

On October 26, 2015, the Circle Pines City Council authorized the final design for the 2016 street improvements within your neighborhood. The proposed improvements for East Golden Lake Road and East Golden Lake Lane are as follows: replacement of natural gas system, replacement of bituminous pavement with subgrade correction, curb and gutter replacement, replacement of sanitary sewer and water main, and storm sewer improvements. The proposed improvements for East Golden Lake Circle are as follows: milling and repaving of the top two inches of bituminous pavement.

You are invited to attend an Informational Open House regarding the project on **Thursday, January 21, 2016 from 6:30 p.m. to 7:30 p.m.** in the Council Chambers at Circle Pines City Hall, 200 Civic Heights Circle. City Staff and representatives from the City's engineering consultant will be available to answer any questions or concerns you may have regarding the proposed improvements. A brief presentation will be given at 6:30 p.m. explaining the proposed improvements and schedule. Following the presentation, residents will be able to meet individually with the City and engineering staff to discuss any questions or concerns you may have regarding the construction. Residents will have the opportunity review the proposed plans and discuss specific construction items like restoration in your yard, driveway replacement, and tree removal. There will be another neighborhood meeting this spring prior to the start of construction.

If you are unable to attend the open house, you will find information on our website under Street Projects, 2016 Street Project. The Council will make a decision at the council meeting on January 26<sup>th</sup> for approving the plans and proceeding with bidding the project.

We look forward to seeing you at the Informational Open House on January 21, 2016. If you have any further questions regarding this meeting, please feel free to call City Hall at 763-784-5898.
