Date: May 30, 2014

Re: **Public Informational Open House June 11 – 6:30 p.m. to 7:30 p.m.**  
2014 Street and Utility Improvement Project

It is anticipated that the City Council will award a construction contract for the 2014 Street and Utility Improvement Project at their council meeting on June 10, 2014. Bids were received for the project and the low bid contractor is LaTour Construction, Inc.

You are invited to attend an Informational Open House regarding the anticipated construction of the project on Wednesday, June 11, 2014 from 6:30 p.m. to 7:30 p.m. in the Council Chambers at Circle Pines City Hall, 200 Civic Heights Circle. City Staff, representatives from the City's Engineering consultant, including the construction observer and the Contractor, will be available to answer any questions or concerns you may have regarding the project construction. The meeting will be an 'open house' format with no formal presentation.

The contractor plans to start work mid- to late June. More details on the construction process and schedule will be provided at the meeting on June 11, as well as project contacts and phone numbers to call during construction.

If you are unable to attend the open house, you will find information on our website, [www.ci.circle-pines.mn.us](http://www.ci.circle-pines.mn.us) under Street Reconstruction, 2014 Reconstruction Project. During construction, weekly newsletters will be mailed to you detailing the construction activities for the current and upcoming weeks along with other pertinent information.

We look forward to seeing you at the Informational Open House on June 11, 2014. If you have any further questions regarding this meeting, please feel free to call City Hall at 763-784-5898.
