Re: **Public Informational Open House June 24 – 6:30 p.m. to 7:30 p.m.**
2015 Street Improvement Project

The City Council awarded a construction contract for the 2015 Street Improvement Project at their Council meeting on June 9, 2015. Bids were received for the project and the low bid contractor is Midwest Asphalt Corporation.

You are invited to attend an Informational Open House regarding the anticipated construction of the project on Wednesday, June 24, 2015 from 6:30 pm to 7:30 pm in the Council Chambers at Circle Pines City Hall, 200 Civic Heights Circle. City Staff, representatives from the City's Engineering consultant, including the construction observer, and the Contractor will be available to answer any questions or concerns you may have regarding the project construction. The meeting will be an open house format along with a short presentation.

The contractor plans to start the project in late June or early July. More details on the construction process and schedule will be provided at the meeting on June 24, as well as project contacts and phone numbers to call during construction.

If you are unable to attend the open house, you will find information on our website, www.ci.circle-pines.mn.us under Street Projects, 2015 Street Improvement Project. During construction, weekly newsletters will be mailed to you detailing the construction activities for the current and upcoming weeks along with other pertinent information.

We look forward to seeing you at the Informational Open House on June 24, 2015. If you have any further questions regarding this meeting, please feel free to call City Hall at 763-784-5898.
