

2015 Street Improvement Mill and Overlay – Indian Hills Area Project Weekly Update

Current Events – Week of September 7, 2015 through September 11, 2015

- The contractor completed the sign removal and replacement for the project.

Future Events – Weeks of September 14, 2015 through September 25, 2015

- The contractor will finish the restoration in the yards where curb was removed.
- The subcontractor is scheduled to complete the storm structure rehabilitation the week of September 21st.
- The contractor will finish working on punch list items and site clean-up.

Please note: The tentative schedule provided is subject to change due to inclement weather or subcontractor availability.

This will be the last weekly update for 2015 project. Thank you for your patience during construction.

The informational open house will take place at City Hall on October 8, 2015 and the assessment hearing on October 14, 2015. A notice with further information will be mailed soon.

Tips of the Week

- Please follow the signs and instructions on any notices that are distributed.
- Please use caution around construction equipment and materials. Follow the traffic control signs that are in place on the project.
