

Adopt-A-Park Program City of Circle Pines

The Adopt-A-Park Program uses volunteers to provide services to the City of Circle Pines. The adoption of a park or plot by an individual, group or organization to perform tasks such as picking up litter, glass and basic gardening will enable City park employees to effectively use its personnel and resources to concentrate on specific and more technical aspects of park maintenance operations.

By adopting a park your presence and efforts in the City parks will help discourage vandalism and provide a safer environment for children and residents of the City of Circle Pines.

An adoptee may elect to make donations or cash contributions in any number of ways.

If you would like more information on how to adopt a park please call City Hall at 784-5898 for more information.
