

2016 Street and Utility Improvement Project Weekly Update

Current Events – Week of May 2, 2016 through May 6, 2016

- The trees and stumps that will be impacted by construction were removed on East Golden Lake Road and Lane. If you have any questions regarding your tree(s), please contact Jim Klein.
- The contractor has started working on the temporary access road on the south end of the project. This will be completed by the end of the week and will be available to use.

Future Events – Weeks of May 9, 2016 through May 20, 2016

- The contractor will begin removing driveways and pavement on the south end of East Golden Lake Lane.
- Temporary water lines will be placed in the yards of the homes along the south section of East Golden Lake Lane. The temporary water line will connect to your outside hose spigot. The contractor or inspector will be contacting you to coordinate this work. Please use caution when mowing near the temporary water lines.
- The contractor will begin removing and replacing sanitary sewer following removal of pavement. This will begin on the south end of East Golden Lake Lane and will continue to the north towards East Golden Lake Circle.
- The mail service to the temporary mailboxes at the end of West Golden Lake Road will begin next week.

Please note: The tentative schedule provided is subject to change due to inclement weather or subcontractor availability.

Tips of the Week

- Please follow the signs and instructions on any notices that are distributed.
- Please use caution around construction equipment and materials. Follow the traffic control signs that are in place on the project.

Project Contacts

Project Construction Observer: Jim Klein, 612-518-8327

Project Manager: Erik Eckman, 763-512-5257
