

2016 Street and Utility Improvement Project Weekly Update

Current Events – Week of June 6, 2016 through June 10, 2016

- The contractor worked on replacing the sanitary sewer main on East Golden Lake Road south of the intersection of East Golden Lake Road and East Golden Lake Lane. The contractor also worked on replacing the watermain along East Golden Lake Lane south of No Name Road and the sanitary sewer services along East Golden Lake Lane.

Future Events – Week of June 13, 2016 through June 17, 2016

- One of the utility crews will continue working on replacing the sanitary sewer main along East Golden Lake Lane north of No Name Road. The other crew is planning on replacing the remaining sanitary services along East Golden Lake Road and East Golden Lake Lane south of the East Gold Lake Road/Lane intersection.
- **Restricted Access Note:** As schedules and conditions (work flow and weather) are variable, it is difficult to predict more than a day or so where restricted access to and from the residential driveways will occur each day. As the construction continues to move forward, the foreman of the crew will be knocking on doors, inside the affected area, in the mornings to alert the residents of the expected activities for that day. If you require a notice the evening before, please let Jim Klein know and that will be arranged.

Please note: The tentative schedule provided is subject to change due to inclement weather or subcontractor availability.

Tips of the Week

- Please follow the signs and instructions on any notices that are distributed.
- Please use caution, watch for pedestrians and drive slowly on the temporary access road.
- Please use caution around construction equipment and materials. Follow the traffic control signs that are in place on the project.
- Please place your garbage can(s) at the curb line prior to 7:00 a.m. on Friday mornings in order to ensure pick-up.

Project Contacts

Project Construction Observer: Jim Klein, 612-518-8327

Project Manager: Eric Eckman, 763-512-5257

After Hours Emergency Number: 763-427-1212 - Ask for the Centennial Utilities on-call person

If you would like to receive the weekly update via email instead of via mail delivery, please contact Jim Klein or Eric Eckman.
