

# 2018 Street and Utility Improvement Project Weekly Update

## Current Events - Week of June 11 through June 15

- Gas installation is proceeding along Park Drive.
- **Phase 1** the street has been graded.
- The water main and services on Crossway between Pine and Park are being installed.
- Mail boxes that have been taken out will be disposed of. If the owner wants to save any part of their boxes, please do so as soon as possible.
- **Phase 2 and 3** reclaiming of the bituminous and removal of topsoil surface.

## Future Events - Week of June 18 through June 22

- **Phase 1** street graveling will begin.
- **Phase 2** de-watering wells will be placed along East Road. Residents will be connected to temporary water while the new mains are being installed.
- The well pumps for de-watering on East Road will be started. It will take at least a week to lower the water table.
- **Phase 2** sanitary sewer on East Road will begin.
- **Phase 1** concrete curb will be installed.
- **Phase 2** storm sewer on Crossway and Stardust will be installed.

**Please note: The tentative schedule provided is subject to change due to inclement weather or subcontractor availability.**

## Tips of the Week

- Please follow the signs and instructions on any notices that are distributed.
- Please use caution around construction equipment and materials. Follow the traffic control signs that are in place on the project and slow down when driving through the project area.
- Do not disturb the survey stakes.
- Keep off the piles of dirt and stay back from the deep excavation areas.
- Allow 7 days for concrete curb and driveway to cure before driving on them.

## Project Contacts

**Project Construction Observer:** Jim Klein, 612-518-8327

**Project Manager:** Eric Eckman, 763-512-5257

**After Hours Emergency Number:** 763-427-1212 - Ask for the Centennial Utilities on-call person
