

2018 Partial Street Reconstruction Project Weekly Update

Current Events - Week of July 30 through August 3

- Base course paving has been completed.
- Sidewalk and pedestrian ramps are completed.
- The remainder of the curb and cross gutters are completed.
- Manhole casting and covers are raised up through the base course of the paving.
- Restoration of lawns and driveways is completed.
- Final lift of bituminous has been complete.

Future Events - Week of August 6 through August 10

- Signs will be placed.
- In September, crosswalk markings will be installed.

Please note: The tentative schedule provided is subject to change due to inclement weather or subcontractor availability.

Tips of the Week

- Please follow the signs and instructions on any notices that are distributed.
- Please use caution around construction equipment and materials. Follow the traffic control signs that are in place on the project and slow down when driving through the project area.
- Do not disturb the survey stakes.
- The contractor will be watering the sod, but please note that any additional watering by the residents will certainly help to insure the growth of the sod.
