

# 2016 Street and Utility Improvement Project Weekly Update

## Current Events – Week of October 3, 2016 through October 7, 2016

- Sod has been placed in **Phase 1**. Repairs will be made and empty spots will be sodded at the time the sod crew is back to work on other areas of the project as they become available. The sod will be watered by the contractor for 45 days. Do not mow the new sod until it is rooted in place. This may take about 4 to 6 weeks. Sod care instruction and tips will be provided when the contractor watering period is completed.
- The contractor is working on landscaping in **Phase 1**.
- The contractor worked on raising the manholes to match the grade of the bituminous surface in **Phase 1**. The contractor worked on punch list and clean-up items.
- Street gravel has been installed and graded in **Phase 2**.

## Future Events – Week of October 10, 2016 through October 14, 2016

- Landscaping will continue in **Phase 1**.
- The contractor will continue to work on punch list and clean-up items in **Phase 1**.
- In **Phase 2** paving of East Golden Lake Road and East Golden Lake Circle will be done on Monday, October 10<sup>th</sup>. **No vehicles will be allowed on the street from 7 a.m. until paving has been completed.**

**Please note: The tentative schedule provided is subject to change due to inclement weather or subcontractor availability.**

## Tips of the Week

- Please follow the signs and instructions on any notices that are distributed.
- Please use caution, watch for pedestrians and drive slowly on the temporary access road.
- Please use caution around construction equipment and materials. Follow the traffic control signs that are in place on the project.
- Please place your garbage can(s) at the curb line prior to 7:00 a.m. on Friday mornings in order to ensure pick-up.
