A few things to remember:

- Please make sure all recyclables are empty, clean + dry.
- Keep caps + lids on (except for glass containers/jars) or throw the caps + lids in the trash. They are too small to be recycled on their own. A good rule of thumb is to place nothing smaller than a credit card in your bin.
- Do not bag recyclables. Place items in your cart individually.
- Not sure what to do with a particular item? Check the Anoka County Recycling + Disposal Directory on their website by visiting:
www.anokacountymn.gov/1653/Search-the-Recycling-and-Disposal-Direct
- When in doubt, throw it out to avoid contaminating the entire load.
