

**Request for Proposals for Residential Garbage, Recycling,
Organics Recycling and Yard Waste
January 1, 2021 to December 31, 2025**

The city of Circle Pines is seeking proposals for the collection and disposal of garbage, recycling, organics recycling and yard waste. Pursuant to City Ordinance, no hauler shall collect refuse within the city without a license from the City Council.

Please complete the response form below and return it by Noon on Friday, July 10, 2020 to:

**City of Circle Pines
Attn: Chandra Peterson
Assistant City Administrator for Public Services
200 Civic Heights Circle
Circle Pines, MN 55014**

Service Summary

The city of Circle Pines is seeking bids from qualified companies to provide a comprehensive set of residential refuse and recycling services.

The list of contract services include, but are limited to:

- Citywide, weekly refuse collection service and delivery to disposal facility.
- Citywide, weekly organics recycling and delivery of material to disposal facility.
- Citywide, every-other-week recyclables collection service and delivery of materials to recovery facility.
- Subscription, weekly seasonal (April-Nov) yard waste collection service and delivery to composting facility.
- Subscription, "on-call" bulk item collection, including appliances and electronics, service and delivery to disposal facility.
- Refuse and recyclables services from designated city buildings, park facilities and special events, no charge to the city.
- Refuse collection and disposal service from two city cleanup days annually (spring and fall), offered at no charge.
- Two Christmas tree pickups annually, at no charge to the city.

- One spring and two fall leaf pickup at the curb annually, at no charge to the city.
- Public education services from the contractor.

Background

The city of Circle Pines has a population of approximately 5,061; 2,020 households and is 2 square miles in size. Circle Pines has 1,391 Single Family Homes and 482 Townhomes.

The city currently bills approximately 1,894 residents for garbage and recycling services monthly and also receives customer service calls including cart exchanges, general information, complaints and comments.

Cart Size	Number of Refuse Carts
35 Gallon	496
64 Gallon	1,094
96 Gallon	304
Total	1,894

Total Recycling Carts-1,876

Total Yard Waste Carts-461

Circle Pines currently hosts two cleanup/recycle day events per year, one in the spring and one in the fall. The refuse company is responsible for only the refuse portion of the events. Other vendors are responsible for recycling materials.

Terms & Conditions

All communications or inquires regarding the proposal process and the RFP must be submitted via email to Chandra Peterson at cpeterson@ci.circle-pines.mn.us only. The city will respond to questions in writing to all interested proposers. The city reserves the right to amend or clarify this RFP by addenda.

Minimum Qualifications to be Eligible

Proposers must meet the following minimum qualifications to be considered eligible to respond.

- Have provided collection services of similar size and scope to other municipalities.
- Have adequate truck, personnel, customer service/communication and management capacity to service the City as per the specifications within this RFP.
- A minimum of three (3) references of current or past customers is required.
- Proposers shall possess a Regional MMSW Collection and Transportation License, Anoka County Hauler License, and Circle Pines Hauler License, or be able to obtain the aforementioned licenses upon being awarded the contract.

The city reserves the right to reject any or all proposals if they fail to meet the minimum qualifications. This judgement by the city shall be final and not contestable. Only eligible proposals will be considered and evaluated by the city.

Contract Period/Renewals

The term of the Contract shall be for a period of five (5) years commencing operations on January 1, 2021 to December 31, 2025. The actual Contract may be executed earlier to allow for any required transition planning. At the sole option of the City of Circle Pines, the contract may be renewed or extended.

Proposal Evaluation Criteria

The City Council will, in its sole discretion, consider various factors such as (without limitation) those set forth below, which Proposer shall be awarded the Contract.

The following criteria will be used to evaluate proposals:

- Price schedules (Estimate total costs over the five-year Contract period.)
- Experience and capacity (Demonstrated capability, including the company’s financial condition.)
- References
- Thoroughness and responsiveness to this RFP (Demonstrated understanding of the City’s needs, goals, objectives and service specification and quality standards)

All responsive proposals will be reviewed and compared with competing proposals in order for the City Council to determine, in its sole discretion, which proposal is in the best interests of the residents of Circle Pines. The City of Circle Pines reserves the right to contract with a solid waste hauler who does not submit the lowest proposal.

Proposers Visit City Routes and Facilities

Prospective proposers are encouraged tour the City’s residential routes and the specified City buildings and City parks to become familiar with the solid waste and recycling collection work described in this RFP.

Amendments to the Scope of Services

The City may, at its own discretion, add services to or delete services from the scope of work described in this RFP. The City will notify prospective Proposers of any such amendments by issuing an addendum to this RFP.

Scope of Service

Refuse Collection and Processing

Refuse collection operations under the new Contract should be very similar to the current system. Refuse collection and disposal system requirements include (but are not limited to):

- Weekly collection of 35-gallon, 64-gallon, or 96-gallon wheeled refuse carts.
- The color and labeling of the refuse carts must distinguish them from the recycling carts, and yard waste carts.
- Residents may set out extra garbage bags of refuse at an additional cost using the city's sticker system. **The City requests alternative pricing for the contractor to provide customer service services.**
- Pursuant to Minnesota State Statute 115A.9302, the Contractor shall provide a waste disclosure notice to all customers on an annual basis.
- This RFP requires that residential refuse collected from Circle Pines under this Contract will be kept separate from other materials. Circle Pines loads of residential refuse shall be weighed on designated truck scales and weights reports to the City. The Contractor shall retain truck scale weight tickets for City inspection upon request.
- Proposers must identify their proposed disposal facility or transfer station.
- Cart Exchanges at no extra charge to the city.

Recyclables Collection and Processing

Recyclables collection operations under the contract should be very similar to the current system. Recyclables collection and processing system requirements include (but are not limited to):

Every-other-week recyclables collection from 35-gallon, 64-gallon, or 96-gallon wheeled recycling carts.

- **The City requests alternative pricing for weekly recycling pick-up.**
- The color and labeling of the recycling carts must distinguish them from the refuse carts, and yard waste carts.
- Customers may obtain a second 35-gallon, 64-gallon, or 96-gallon wheeled recycling cart at no additional collection cost.
- Proposers must identify their proposed recyclables processing facility or transfer station.
- This RFP requires that residential recyclables collected from Circle Pines under this Contract will be kept separate from other materials. Circle Pines loads of residential recyclables shall be weighed on designated truck scales and weights reported to the City. The Contractor shall retain truck scale weight tickets for City inspection upon request.
- Cart exchanges at no extra charge to the city.

Yard Waste Collection and Composting

The City requires a yard waste collection subscription program. Yard waste collection and disposal system requirements include (but are not limited to):

- Subscription, weekly yard waste collection and delivery for composting on a seasonal basis from approximately April through November each year.
- Eligible residents may subscribe for regular yard waste collection service and receive a 96-gallon yard waste cart.
- Proposers must provide proposed prices for yard waste cart service which includes an additional cart price.
- Proposers must identify their proposed composting facility or yard waste transfer station to be utilized.
- This RFP requires that yard waste collected from Circle Pines under this Contract will be kept separate from other materials. Weight/yardage totals from Circle Pines yard waste loads shall be reported to the City. The Contractor shall retain weight/yardage tickets for City inspection upon request.
- The color and labeling of yard waste carts must distinguish from refuse and recycling carts.
- Cart exchanges at no extra charge to the city.

Christmas Tree Collection and Composting

Christmas tree collection and composting system requirements include (but are not limited to):

- **Two (2) Annual Christmas Tree curbside collections for all residents within the service area, at no charge.**
- Proposers must identify their proposed composting facility or yard waste transfer station to be utilized.

Cart Ownership and Management

This RFP requires that the Contractor shall be responsible and pay for all aspects of cart management and operations including (but not limited to): transportation from the manufacturer, ordering, receiving, assembly, distribution (aka new cart “roll out”), excess cart inventory, spare parts inventory, warranty maintenance and other repairs.

Upon a change in Contractor, this RFP requires that the successful Contractor submit a detailed cart management and transition plan within two (2) months after the new Contract has been fully executed. For example, the Contractor shall include a summary that adequately describes these transition operations (e.g., timing and content of any public notices about cart switches, etc.). The Contractor shall be primarily responsible for all aspects of the transition operations, but shall keep the City fully informed of field operations during the transition period

Fuel Surcharge/Environmental Fee

No fuel surcharge or environmental fee shall be applied to services offered through this RFP. All costs shall be incorporated into the monthly rates.

Refuse and Recyclables Collection from City Buildings and Park Facilities

Collection operations from City buildings and City park facilities under the Contract shall be at no charge. A detailed listing of specified City buildings and City park facilities, is included in

Attachment A. The City reserves the right to add other similar future facilities after consultation with the Contractor. High quality service to these City facilities is expected, including collections and customer service communications.

Collections from Special Events

The City currently doesn't have an annual special event, but if the city does have a special event, the Contractor shall provide refuse, and recyclable containers and collections at these special events. All containers shall be clearly labeled. The City will work with the Contractor to plan and schedule these special events.

Organic Waste Collection

Proposers should describe any experience they have with residential organic waste collection programs. Proposers should briefly summarize how they will approach the process of developing of an organic waste collection plan for the City of Circle Pines. The City reserves the right to discontinue planning for organic waste collection at any time. The City currently envisions this to be a new carted, subscription service similar to yard waste collection, but provided twelve (12) months per year, not seasonally. Starting the organic waste collection service on a subscription basis will provide a voluntary means to evaluate resident interest and compliance with program instructions before consideration of city-wide service. Separate organic waste collection will be partially dependent on the proposals received in response to this RFP and the innovations proposed by the selected Contractor.

Collections from Clean- Up Day

The City of Circle Pines conducts two Clean-up/Recycle Days annually, one in the spring and one in the fall. The Contractor will be responsible for the collection of refuse on those days. The City will work with the Contractor each year to plan and schedule this event. There will be no extra charge for these days.

Biannual Report

The Contractor shall submit biannual progress report to the City by January 15 of each year and July 15 of each year. This annual report shall include:

Program results (year-to-date): Performance statistics including:

- Refuse tonnage from residents
- Recycling tonnage from residents
- Recyclables composition estimates based on actual sorts from Circle Pines recyclables
- Refuse tonnages from City buildings, parks facilities, and events
- Recyclables tonnages from City buildings, parks facilities, and events
- Organics tonnages from residents
- Organics tonnages from City buildings, parks facilities, and events

Payment Terms

Currently, the City bills residents, takes cart exchange information, sells stickers for extra items at the curb and takes resident questions and complaint calls, etc. **The Proposer shall**

indicate if there would be a cost difference if the city would continue to take on customer calls versus the Contractor taking the calls.

Proposed Price Elements

All proposers shall submit a complete Price Worksheet. If the Proposer is awarded the Contract, this Price Worksheet will be the basis for final terms of the City-approved rate schedule.

All proposed fees shall be exclusive of all other charges and taxes (e.g., State Solid Waste Management Tax.)

No fuel surcharge or environmental fees shall be applied to services offered through this RFP.

Insurance and Other Legal Requirements

Proposers shall provide, prior to the effective date of the contract, evidence of adequate liability insurance at \$5,000,000 combined single limit for auto and general liability. The City of Circle Pines shall be named as an additional insured. The Proposer shall file a current certificate of insurance with the City during the full term of the contract. Such policies shall provide for a thirty (30) day notice by the insurance company to the City of any changes, cancellations or lapses of such policies. The Proposer, if awarded the contract, agrees to take all precautions to protect the public against injury and to hold the City harmless from all damages and claims that may arise by reasons of any negligence of the service by Proposer's agents or employees while engaged in the performance of the contract. The Proposer, if awarded the contract, agrees to indemnify the City against all claims arising from intentional or negligent actions by the Proposer/Contractor or persons hired by the Contractor.

Proposer/Contractor shall provide Workers Compensation insurance for its employees as required by Minnesota Statutes.

Anti-Discrimination

The Contract to be awarded will require the Contractor to agree:

1. That, in the hiring, pay or promotion of common or skilled labor for the performance of any work under any contract, or any subcontract, no contractor, material supplier, or vendor, shall discriminate against any persons protected by Minnesota Statutes Section 363A.08 subd. 2 who are legally eligible to work in the United States and who are qualified and available to perform the work to which the employment relates;
2. That no Contractor, material supplier, or vendor, shall, in any manner, discriminate against, or intimidate, or prevent the employment or performance of work of any person or persons identified in clause one (1) of this section.
3. That a violation of this section is a misdemeanor.

4. That this Contract may be canceled or terminated by the city, and all money due, or to become due, under the Contract may be forfeited for a second or any subsequent violation of the terms or conditions of this contract.

Certificate of Non-Barred Proposing

The undersigned firm certifies that it is not barred from proposing on this contract as a result of a conviction for the violation of State laws prohibiting "proposal" rigging or "proposal" rotating.

Data Practices Act

The Contract to be awarded will be subject to the Minnesota Government Data Practices Act and will include the following provision:

Pursuant to Minnesota Statutes § 13.05, Subd. 11, all of the data created, collected, received, stored, used, maintained, or disseminated by the Contractor in performing this Contract is subject to the requirements of the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, and the Contractor must comply with those requirements as if it were a government entity. The remedies in Minnesota Statutes § 13.08 apply to the Contractor. The Contractor does not have a duty to provide access to public data to the public if the public data is available from the City, except as required by the terms of this contract.

Record Keeping / Audits

The Contract to be awarded will be subject to record keeping and audit requirements and will include the following provision:

Pursuant to Minnesota Statutes § 16C.05, Subd. 5, Contractor agrees that the books, records, documents, and accounting procedures and practices of the Contractor, that are relevant to the contract or transaction, are subject to examination by the contracting agency and either the legislative auditor or the state auditor, as appropriate, for a minimum of six (6) years. Contractor shall maintain such records for a minimum of six (6) years after final payment.

Compliance with State and Federal Employment Laws and Regulations

Proposer/Contractor agrees to make best efforts to comply with applicable State of Minnesota and federal employment laws including but not limited to FLSA, Minnesota Statutes Chapters 177 and 181, OSHA, immigration and Equal Pay laws.

Legal Interpretation and Venue

The Contract to be awarded, shall be interpreted according to State of Minnesota law. Any action between the City and the Contractor shall be located in Anoka County, Minnesota.

PROPOSAL CONTENT

Qualifications Section

All Proposers must submit a Qualifications Section within their proposals. The Qualifications Section must include information in the following three areas:

- General management ability;
- Financial stability and strength; and
- Solid waste collection experience; including refuse, yard waste, recycling, and bulky waste collections. This RFP requires Proposers to document their planned arrangements for refuse processing, either through a transfer station or direct to a mixed MSW resource recovery facility. Proposals must include written certification that adequate processing capacity has been secured. The Qualifications Section of each proposal must include the following subsections:

General Management

Proposers will be evaluated on the basis of their demonstrated overall management and experience, as reflected in the successful implementation of previous and/or current materials collection projects. Each Proposer shall demonstrate the ability to perform all required tasks successfully, and must demonstrate the necessary management skills and experience in integrating the performance of such tasks.

Information submitted by each Proposer shall define both technical and managerial capabilities in terms of past performance.

A clear statement of the management structure of the Proposer's company must be supplied. Other management evaluation criteria will include, but will not be limited to the following factors:

- Demonstrated successful working relationships with municipalities and/or public solid waste agencies;
- Number of similar collection projects within the greater Twin Cities metropolitan area; and
- Past and anticipated approach to customer service.

Financial Stability and Strength

The Proposer must demonstrate sufficient financial resources to carry out its responsibilities as outlined in this RFP and to back up its contractual obligations. Proposers will be evaluated on the basis of their credit references, demonstrated ability to finance the required equipment, and ability to provide a performance bond.

A specific letter from a surety company or a guarantor indicating the intent to provide the Proposer's performance bond must be provided in the proposal. Proposers must submit at least three (3) credit references.

Proposers must submit evidence of the ability to finance the equipment needed by submitting a financing plan for necessary equipment. Where the Proposer is a corporation, submit evidence that the Proposer is in good standing under the laws of the state of incorporation.

The Proposer must submit the litigation history (with explanation) for the last five (5) years regarding any company, partner, subcontractor(s), or subsidiary involved in this venture, and/or any corporate officer.

Refuse and Recyclables Collection Experience

Proposers will be evaluated on the basis of their demonstrated experience in the collection of refuse, recyclables, yard waste, organic materials, bulky waste and other special collection of other waste materials. Proposers are encouraged to submit references for existing residential collection services, especially under contract to municipalities, to demonstrate their experience and success. The City may give particular attention to the performance data provided for these reference projects.

The Proposer must demonstrate the following:

- Overall experience in the solid waste industry; and
- Experience in the successful operation of the type of residential refuse, recyclables, yard waste, organic materials, bulky waste and other special collection services solicited in this RFP.

Hiring of Drivers and Staff

If the selected contractor is not the current service provider. The selected contractor will agree to hire all drivers and mechanics employed by the former service provider if those employees are laid-off as a result of the change in providers. Each employee must meet the employment qualifications of the selected contractor.

Overview of Services

The Proposer shall describe services proposed in response to this RFP. This Overview shall provide sufficient information to demonstrate the Proposer's clear understanding of the services requested by the City through this RFP.

Collection Proposal

The proposal shall describe the proposed collection service. The document shall provide sufficient information to demonstrate that the proposed service will, at a minimum, satisfy all of the performance objectives provided in this RFP and handle the quantity and composition of materials to be collected. The information should include, at a minimum, equipment descriptions and identification of and schedule for obtaining necessary permits.

Proposed Refuse Processing Plan

All refuse collected under this Contract, must be processed according to Minnesota

Statutes (M.S. 115A.471 and M.S. 473A.848). All Proposers must have secured adequate capacity for processing refuse under this Contract and proposals must fully describe their refuse processing plan including explicitly listing all resource recovery facilities and/or transfer stations to be used. Proposals must also include a dated and signed letter of intent from a resource recovery processing facility that states this facility has adequate processing capacity to handle the City's refuse. If a transfer station is also to be used, proposals must also include a dated and signed letter of intent from this transfer station owner.

Equipment and Route Description

The Proposer shall submit equipment specifications of all the equipment to be used. Form G, Itemized Listing of Trucks and Other Collection Equipment, is to be used for this purpose.

Road Weight Restrictions

The Proposer shall state in his list of truck equipment how the vehicle design and operation will meet all city, county and state load weight limits. The fully loaded gross vehicle weight and weight per axle shall be listed for each of the proposed trucks.

Cart Management and Administration

The Proposer shall describe a plan for receipt, assembly, distribution, storage, maintenance, and replacement of carts.

Public Education Plan

The proposal must describe the public education services as specified in this RFP.

Operations Management Plan

The Operations Management Plan must include a description of the proposed management structure and approach, as well as a statement of the problems that the Proposer believes are likely to arise during collection, start-up, and for ongoing operations and the methods proposed to deal with them. This should include, at a minimum, such problems as: employee absenteeism; equipment breakdowns; and capability to provide collection of optional/additional materials.

The Management Plan must address specifically how the Proposer will work with the City to identify and resolve consistent sources of problems. A Staffing Plan indicating number of employees and how they will be staffed to ensure collections capacity and customer service must also be included in the Operations Management Plan.

Clean-up Day Plan

The Proposer shall submit a description of the intended approach to provide a clean-up day collection service. Describe proposed equipment and labor and how the Contractor will coordinate the event with the City.

Price Proposals

All proposed prices shall be submitted on the attached forms and executed by an authorized official.
